Joel Marrow

ON SITE

08:14 am – 11:46 am

DURATION

3h 32m

## SERVICE CHECKLIST

7 of 8 completed

### ✓ Front lawn mowed and edged

COMPLETED

Clippings mulched back into the lawn. Front kerb edge reset for cleaner street presentation.

BEFORE

AFTER

### ✓ Main garden bed weeded and reshaped

COMPLETED

Surface weed load removed by hand. Existing mulch redistributed to cover exposed drip line sections.

BEFORE

AFTER

**Side path cleared and blown down**

COMPLETED

Resident access path left clear and safe. Loose leaf litter removed from gate and fence line.

BEFORE

AFTER

**Rear entertaining area presentation check**

COMPLETED

Furniture edges brushed down and paving left clear after final blow.

**Irrigation front zone tested**

COMPLETED

Head three was slightly overspraying the path. Angle adjusted on site and retested.

**Green waste removed from site**

COMPLETED

All green waste loaded out at departure.

**Bin enclosure wash-down**

COMPLETED

Quick rinse completed after debris removal around the enclosure base.

**FOLLOW-UP ITEMS**

**Rear hedge trim**

FOLLOW-UP

Deferred to next dedicated hedge visit. Current growth is presentable but beyond the regular maintenance scope.

## VISIT NOTES

Fortnightly maintenance service completed across the front lawn, side access, and rear entertaining zone. Driveway and entry path blown clear, beds weeded and topped up, irrigation checked, and finish photos captured for client records.
